

INSTITUTO SUPERIOR TÉCNICO

Técnico Lisboa in the world:

1st among Portuguese Engineering universities in the **US News, Times, URAP, Scimago and Shanghai** academic rankings

Ranks among the **11 best European Engineering and Technology schools** and 50 in the world, according to the US News

Ranks **among the 20 best European Engineering and Technology** institutions, according to the Shanghai, URAP and Scimago rankings

Academic Programmes

BS c / 1 st cycle (3 years)	# International Student Places
Electronics Engineering	8
Geological and Mining Engineering	5
Industrial Management and Engineering	15
Computer Science and Engineering (LEIC-A)	40
Computer Science and Engineering (LEIC-T)	23
Naval Architecture and Marine	8
Telecommunications and Informatic Engineering	14
Applied Mathematics and Computation	10

MSc/Integrated MSc/1 st +2 nd cycle (5 years)	# International Student Places
Architecture	12+10*
Aerospace Engineering	24+10*
Environmental Engineering	8+20*
Biological Engineering	15+10*
Biomedical Engineering	16+5*
Civil Engineering	33+8*
Electrical and Computer Engineering	55+15*
Engineering Physics	18+10*
Materials Engineering	6+10*
Mechanical Engineering	40+10*
Chemical Engineering	20+9*

* places for 4th and 5th year of the integrated Msc programmes

MS c/ 2 nd cycle (2 years)	# International Student Places
Bioengineering and Nanosystems	5
Biotechnology	4
Naval Architecture and Marine Engineering	19
Electronics Engineering	4
Pharmaceutical Engineering	4
Mining and Geological Engineering	15
Data Science and Engineering	9
Engineering and Energy Management	14
Industrial Engineering and Management	8
Information Systems and Computer Engineering (MEIC-A)	12
Information Systems and Computer Engineering (MEIC-T)	15

MS c/ 2 nd cycle (2 years)	# International Student Places
Petroleum Engineering	19
Telecommunications and Informatics Engineering	10
Information and Enterprise Engineering	5
Mathematics and Applications	10
Microbiology	5
Territorial Management and Urban Studies	0
Radiation Protection and Safety	5
Chemistry	10
Information Security and Cyberspace Law	9

Admission Requirements for International Students

- Foreign students other than EU member states.
- Students that, when not nationals of a Member State, do not reside legally in Portugal for more than two years uninterruptedly.
- Students who hold a diploma of completion of secondary education or equivalent in their home country.

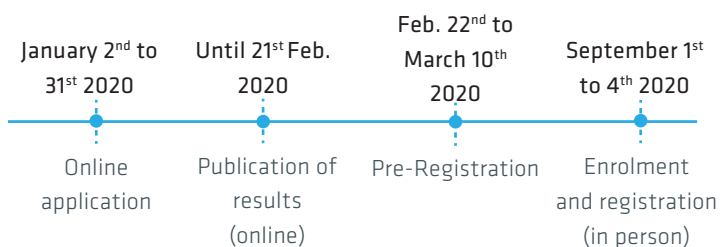

Where an applicant has two or more citizenships and one of them corresponds to an European Member State, including Portugal, he or she cannot apply for International Student places, but he or she must apply for EU/National places.

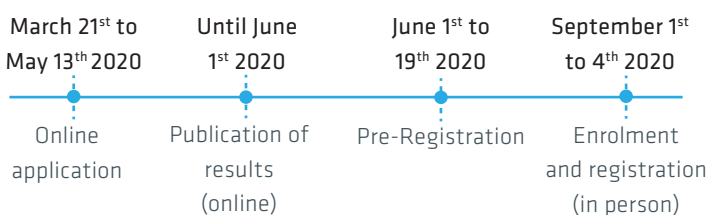

Applications 1st, 2nd and 3rd cycles

For programmes that, after the 2nd phase, do not fill the required number of places, the application period is kept open until the last week of September. All selection, registration and enrollment processes must be concluded by September 30th.

1st Round/Call - 1st cycle Bachelor and 2nd Cycle Master

2nd Round/Call - 1st Cycle Bachelor and 2nd Cycle Master

3rd Cycle - PhD

LIVING COST IN LISBON

Accommodation (room) - 375-550€ per month

Accommodation (flats) - 550-900€ per month

Accommodation (student residency) - 185€ per month

Meals - +/- 200€ per month

Bus, metro/train pass - 30€ per month

Cinema - 7€

Museums - 2-15€

* Up to 10 vacancies. Only students who applied in the first round/call will be considered for the vacancies.

Required Documents

Applications for a specific course/degree or study cycle programme are made online. The applicant must provide all the documents mentioned in the Regulation, as well as a motivation letter referring to the selected course or study cycle. To complete the application process it is necessary to submit the following scanned documents as PDF files:

- Recent photo
- Up-to-date CV
- Official academic transcript that you have completed secondary education or equivalent in the country of origin and proof of access to higher education examinations (this applies only to the applicant's 1st study cycle)
- Official academic transcript of records of Bachelor degree and Diploma (this applies only to the applicant's 2nd study cycle)
- Document specifying the type of grading scheme of the academic records.
- Identification document / passport
- Document certifying the applicant's Portuguese language level (this applies only to the 1st study cycle).
- Statement under oath, that the applicant does not have Portuguese nationality nor any other country nationality that is member of the EU and fulfills the requirements needed for the Access and Admission category for International Students.
- Bank transfer slip of the payment for application fee.

Applicants should refer to the IST Regulations for Admission of International Students of 1st, 2nd, 3rd cycle for further information relating to documents and validation.
